PRESIDENT'S MESSAGE

Well, the year is ending and for me it is the end of my three-year term as President (one year extra due to COVID).

It was a challenging time, but with the help of your wonderful board (none of whom left the board for those three years), we managed to keep our guild viable and with the highest membership we have ever had. We are 75 members strong! I want to personally thank all our board members for their hard work, especially during COVID, where half the time we didn't really know what we were doing (learning Zoom was an experience). But we persevered and our guild made it through. We even had a major event, our Quilt Walk during COVID, not bad for lock-down time.

It has been an honor to represent this guild and I shall always look upon this time with happiness. I'm really not going anywhere; I will still be doing workshops and events for the guild. You are in good hands with Sally Mirault and her President-Elect Linda Ganfield this coming year and I know they will do a great job.

Don't forget to bring your potluck item, your fat quarter and your donation projects to our December 8th meeting. See you there...

May you and your loved ones enjoy all the happiness this season can hold. Terry Hodges

Workshop schedule for 2023

All workshops are taught at Corica Golf Course, on Saturdays from 10am - 4pm

January 14 - Paper Piecing, Part A – Teacher Terry Hodges, Fee \$10.00

This class is for the beginner, a first - time paper piecer, there will be an intermediate class offered in November. Paper piecing is sewing on paper and fabric and then tearing off the paper. This insures perfect blocks with beautiful points and intersections. This method is great for bias cut pieces such as triangles.

February 11 – Convergence Quilt – Teacher Leslie Sorenson, Fee \$10.00, Time: 10am - 2:30pm

Ricky Tims says, “a Convergence quilt is a quilt that features two or more designs that are cut into strips and then merged together”. Leslie will be demonstrating the basic steps and this will give you a chance to try the techniques and finish your mini quilt at home. There are no rules for Convergence quilts, but there are guidelines. You will all have fun seeing the “magic” as your fabric comes together.

March 11 – Convergence Quilt – Teacher Leslie Sorenson, Fee \$10.00, Time: 10am - 2:30pm

(This is not a two - part class, this class is being taught twice).

See the class description above.

April 15 – Tricks to Making Curves – Teacher: Jennifer Serr – Fee \$10.00

Are curves a challenge for you? This is the class for you. You will learn tips and techniques to get smooth curves.

(Jennifer is the owner of The Sewing Room here in Alameda, see her website for her extensive sewing experience.)

May 13 – Quillow and Mother’s Day Tea – Teacher Terry Hodges, Total fee \$20.00 (\$10.00 + \$10.00 Tea)

Let’s make a quilt in a pillow, a quillow. A lap sized quilt that rolls up into a pillow.

You will need to have an 18” pieced, appliqued or embroidered block ready for class. In the afternoon we will have a small tea party.

June 10 – Pomegranate Flowers Wall Hanging - Teacher Joan Beall, Kit Fee \$20.00 (includes everything you need for class), Book fee \$10.00

This is a workshop featuring Kumiko Sudo’s 15” square wall hanging. It includes shashiko and applique techniques. The kit and book are needed for this class.

July 8 – Holiday Ornament – Teachers Susan Correa & Terry Hodges, Fee \$10.00, Kit fee \$5.00

Celebrate the holidays in July by making this pinecone ornament, it can be made for Thanksgiving, Christmas or Hanukkah. These would make great centerpiece table decorations, place cards or gifts. This is a no sew class. This easy to do project is a great way to spend a summer day.

August 12 – Kawandi, Part 2 – Teacher Jeanne Heffernan – Fee \$5.00

Kawandi quilting is a form of slow and mindful stitching done by the Indian Siddi Women. This is a hand stitched quilt, made from scrap fabric.

September 9 & 10 (Sat. & Sun.) - Sidelights - Teacher Valerie Yeaton, Fee \$30.00 + pattern

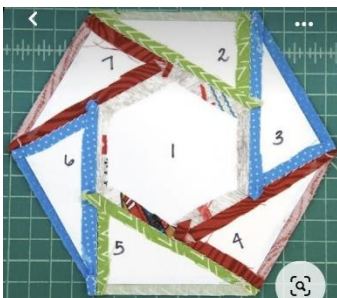

Valerie formerly taught at Quilt Fans and since it's closing she has taught at The Cotton Patch and several other stores in the East Bay. This project was designed to showcase a large print or panel. Start with your feature fabric and add a few coordinating pieces to produce a stunning wall hanging, lap quilt, or throw. Finished size is approximately 47" x 63".

October 14 - Donation Sewing Day & Lunch - Facilitator Terry Hodges, Fee - cost of your lunch

Take this day to finish up your quilts, joy bundles, pillowcases or fidget quilts for our Donation Day in December. Enjoy sewing with other members and having lunch with them at Jim's on the Course.

November 11 - Paper Piecing, Part B - Teacher Terry Hodges – Fee \$10.00

This class is for the person who has some experience with paper piecing, or who needs a refresher course. If you are a beginner, you must have taken Terry's Paper Piecing, part A last January. We will be doing blocks that create their own challenges for paper piecers, such as angled pieces and intersecting pieces. This method gives you perfect blocks every time!

OUTREACH

We have pillowcase kits and fidget kits, as well as quilt labels available. You can also make a pillowcase (s) from your stash. There are many websites describing the technique – this is one.

<https://www.seasonedhomemaker.com/pillowcase-tutorial-burrito-style>

If you're making joy bundles, please remember to attach a ribbon to tie the bundle. Our next donation day is the general meeting on December 8.

Any members who wish kits or labels can contact either Helene Young (heyoun@earthlink.net) or Jeanne Heffernan, 510 263-8085 or jmh8346@sbcglobal.net to request.

THANK YOU FROM MEALS ON WHEELS

Peri Drake, Director of Alameda Meals on Wheels, met with Jeanne Heffernan, AQG Outreach at her "office" 516 Willow in the brown tent behind the rehabilitation hospital. She mentioned her client population is stable at 190 clients. The AQG gifting of over 250 placemats this past year is still more than sufficient. However, she did choose 12 placemats and 4 sets of napkins from the holiday boutique.

She promised to reach out to AQG when need presents for additional placemats for clients.

Additionally, she mentioned new efforts to work with

Veterans in a housing project, Operation Dignity. Peri expressed sincerest gratitude for AQG generous gifting. Submitted by Jeanne Heffernan, AQG Outreach Coordinator

2023 Challenge Quilt: Paint Chips!

This year's challenge is paint chips. Terry has prepared envelopes for you. The envelope will contain two paint chips from a local hardware store. Your challenge is to use those two colors from the paint chips, in addition to two neutrals.

We will vote and prizes will be awarded!

Rules:

- Contact Terry Hodges to choose your envelope. She will be at our guild meetings for you to pick it up or you can phone, text, or email her and she will drop off your envelope.
- Use the two colors you chose. You can use solids or prints as long as they represent the color from the paint chip.
- You can add only 2 neutral colors to your project (background counts as 1 neutral).
- The project has to be 18" square, bound and labeled by Nov. 9th at our meeting deadline.
- Use any block pattern, applique pattern, original creation etc. that you would like as long as the colors are represented and the project is quilted.
- No trading of paint chips between members, this is a challenge to get you out of your comfort zone.
- Save your paint chips for the big reveal at the general meeting due on **November 9th**.
- Paint chips must be displayed along with the finished product.

Please let Terry Hodges know if you need anything else. (See the AQG Member Directory for Terry's contact information).

LOCAL RESOURCES

We all bemoan the lack of a fabric store in Alameda – but are you aware of the resources we do have?

Recrafting (an AQG affiliate) has a variety of fabrics and tools. It is a consignment shop, so check back often. 2449 Santa Clara

Needle in a Haystack has threads and needles. It can be tricky to find. Check online and give them a call.

The Sewing Room has fabric and patterns.
